

## Could you be a trustee for Made with Music?

Made with Music is an award-winning charity based in Leeds. We believe that everyone should have access to live music. We run musical activities for people of all ages. We aim to meet everyone's needs so that they can take part in all of our activities. We are looking for new trustees to help manage the charity.

## What is a trustee?

A group of trustees manage or control a charity. Trustees make sure that Made with Music spends its money in the right ways. They make sure Made with Music does the things it says it's going to do. You do not get paid to be a trustee, but you will learn new skills and have fun. You can find a good easy read guide about what a trustee must do here: [The Good Trustee Guide](#)

## Who do we want to be a trustee?

We would like to hear from you:

- If you identify as disabled
- If you have been to a Made with Music project
- If you are under 30
- If you are from the global majority (all ethnic groups that are not white British)
- If you identify as neurodiverse
- If you identify as LGBTQ+
- If you have experience in law
- If you have experience in social media
- If you have experience in safeguarding
- If you are none of the above, but want to make music more accessible to families

## What will I need to do?

You need to be able to join our online meetings. The meetings are every 3 months (4 times a year). We also want our trustees to come and see our work and talk to the people who are there. You will use your experience and ideas to help Made with Music be the best charity we can be.
